DEFINITIONS

BTU means British Thermal Unit and represents the amount of heat necessary to raise one pound of water, one degree Fahrenheit.

Commercial Excess Premium is the premium paid by the Risk Management & Tort Defense Division to commercial insurance carriers to insure losses in excess of the state's commercial insurance deductible subject to the terms and conditions of the state's property/casualty insurance plan.

Self-Insurance Premium is the premium the Risk Management & Tort Defense Division collects from state agencies to pay for losses that fall beneath commercial insurance deductibles subject to the terms and conditions of the state's property/casualty insurance plan.

*Fiscal Year Reported represents the year risk exposure data was submitted by each agency to the Risk Management & Tort Defense Division.

**Premium Budgeted represents the premium the Risk Management & Tort Defense Division will collect from state agencies three years from the fiscal year reported.
